WELCOME NOTE BY THE RECTOR

Dear student,

The Institute of Tax Administration (ITA) is a unique technical education and training institution which is fully accredited by the National Council for Technical Education (NACTE). In the specialized field of taxation and customs, ITA is the only one of its kind nationally and regionally - congratulations on gaining a place here! We look forward to welcoming you into our professional community and wish you every success in your studies here.

We are a modest and friendly institute with a supportive collegiate atmosphere. We are proud of our students' achievements and are sure that you too will benefit hugely from coming to ITA.

Our modest but beautiful campus is located in tranquil and peaceful surroundings of Mikocheni B, not too far but also not too near the bustling centre of the City of Dar es Salaam.

We have a staff that is highly dedicated to offering individual attention.

Moreover, there are facilities to support your learning. Our investment in IT and library resources has positioned the Institute among the modern learning institutions than at most training institutions nationally and regionally.

I am sure you will enjoy your time with us, but if you encounter any problems, however small they may be, we are all here to help you.

Once again, our warmest congratulations! We look forward to meeting you at registration on 25th September, 2017.

Yours sincerely

I.J. Jairo
