

TANZANIA REVENUE AUTHORITY

ISO 9001: 2015 CERTIFIED

INSTITUTE OF TAX ADMINISTRATION

1ST TAX SYMPOSIUM

Theme: ‘Widening the Tax Base and Strengthening Tax Compliance in Tanzania’

INTRODUCTION

The Tanzania Revenue Authority (TRA) has been implementing various reforms to enhance tax compliance and widen the tax base. In order to generate ideas and share knowledge and experiences in revenue mobilization, the Institute of Tax Administration (ITA) of the Tanzania Revenue Authority, has organized a Tanzania Tax Symposium 2025 that will engage experts and stakeholders as a platform for renowned academicians, practitioners, policymakers and researchers to share insights and experiences on the best ways to enhance revenue mobilization in Tanzania.

OBJECTIVE

Explore Strategies to widen the Tax Base and Improve Tax Compliance to Enhance Revenue Collection.

PARTICIPANTS

The symposium will attract a diverse range of participants, including, renowned Academicians, Researchers, Policymakers, Tax professionals and practitioners, Representatives from private sector organizations, Members of civil society and business associations, General public and taxpayer community
